

“BRING THE HAMMER DOWN”

STEPS TO FOLLOW AFTER AN ACCIDENT

PLEASE PRINT THIS PAGE AND KEEP A COPY IN YOUR VEHICLE’S GLOVE COMPARTMENT

Immediately following an automobile collision, you may be dazed, confused, in pain, upset and generally not feeling like your normal self. Follow these two easy steps to ensure that you do not jeopardize your case, remember: **Keep your cool, remain calm, and follow the steps below:**

STEP 1: SEEK MEDICAL CARE RIGHT AWAY: CALL 911

If you are injured in an automobile collision, seek medical care right away: **Call 911.** WHETHER YOU DECIDE TO GO TO A HOSPITAL EMERGENCY ROOM, OR VISIT YOUR PRIMARY CARE PHYSICIAN FOR TREATMENT, MAKE A LIST OF WHICH MEDICAL PROVIDERS TREATED YOU. KEEP ALL YOUR MEDICAL RECORDS, MEDICAL BILLS, AND A LISTING OF PERSONAL EXPENSES TOGETHER, IN A FOLDER.

STEP 2: CALL AN ATTORNEY

Contact an attorney as soon as you are physically able following the collision. An attorney will administer your case in a professional manner and will get you the most compensation possible, based on the facts of your case. The attorneys at the **ANDREWS LAW FIRM** will promptly meet with you for a free case consultation if you contact us at the telephone number listed below. **If you are too injured, or unable to come to us, we will come to you, anywhere within the State of Colorado.**

STEP 3: DO NOT MAKE ANY STATEMENTS ABOUT THE COLLISION TO ANYONE!

DO NOT: Make any statements about the circumstances concerning the collision
DO NOT discuss the collision with the other driver, his/her insurance company, or your insurance company DO NOT discuss your case with anyone, contact an attorney right away, do not jeopardize your case by talking about it with other people!!!

DO: Seek treatment for your injuries. It’s okay to tell police, emergency responders, and your doctor about your pain and injuries. Get medical treatment right away.

STEP 4: TAKE CELL PHONE PICTURES OF THE SCENE AND THE VEHICLES

If you are physically and safely able take pictures of the accident scene, the vehicles involved, and the vehicle damage, do so before moving the vehicles from the immediate scene of the collision. IMPORTANT!!! **Only take cell phone pictures of the scene if you can do so safely, without risking further injury to yourself, or others.**
